

Meridian Community Primary School and Nursery

Parent Questionnaire 2017

Your views are very important to us so every year we send out a parent questionnaire to find out your thoughts about Meridian. This information is then collated and shared with staff and governors and then used to inform our School Improvement Plan for the following year. The more questionnaires we receive back, the better the picture we have about parents' views of Meridian.

Please read the following statements and tick the answer which best fits what you think about the school. Please only tick one box per statement. If you wish to add any comments, then please use the space below each statement.
