Read your favourite story with your grown up then draw your favourite part of the story. Can you be a detective and find any 'tricky words' (e.g. she, he, was, I, the)?

When you have finished, try and label the picture you have drawn.

Maths

Before you eat a packet of crisps/raisins can you share the amount between two plates? How many do you have? Have you shared equally?

If a packet has 20 sweets in and you share them equally between you and 3 friends, how many will you get each? Draw 20 sweets on a sheet of paper, equally sharing them into the 4 corners of the paper. Count how many are in each corner.
