

Lesson	We hope you are all well! We are missing you all and hope to see you soon.	
Maths	<p>Have a go at these maths problems:</p> <div><p>6. Have a race with a friend to fill a container each. One person use a spoon to fill, and the other use a cup. Who is the winner? Is this fair? Why? Why not?</p></div> <div><p>1. Choose 3 containers. Take a cup or a yoghurt pot and find out how many scoops it takes to fill each container. Line your containers up in order from smallest to largest.</p></div> <div><p>2. I fill my container with 5 cups of water. My friend's container takes 3 more cups to fill. How many cups does it take to fill my friend's container?</p></div> <div><p>3. I fill some containers. I make a tower of bricks, one brick for each cupful of water I use. Which is the largest container? Which is the second largest? Which is the smallest? Try this with a friend.</p></div>	
Writing	 <p>Look at this picture and write a <b>statement</b>, a <b>command</b>, a <b>questions</b> and <b>exclamation</b> about it.</p> <p>These are my ideas</p> <p><b>The dragon hatched out of an egg.</b></p> <p><b>Don't make a sound.</b></p> <p><b>What do dragons like to eat?</b></p> <p><b>What a beautiful dragon!</b></p>	

Reading

Use your inference skills to read the story start using the picture.

It had all started out as a dare.

“No-one is brave enough to camp out in the woods all alone” they had all said.

So far, he had proved them wrong...

What is a dare?

Who do you think the boy is?

Why has he chosen to camp out in the woods?

Has anything happened during the night?

What will happen when he leaves the tent?
