

Meridian Community Primary School and Nursery

CHILDREN'S NEWSLETTER

Friday 22nd May

Hello lovely Meridian Children!

I hope you are all well and keeping safe with your families.

This week the children who need to be in school have continued to complete the learning activities which you are busily doing at home.

Mr Strange taught us a brilliant new game called [Danish Long Ball](#).

Perhaps you could watch the link and play it with your family?

Have go BINGO!

We had another round of Mr Doody's Bingo with some chocolate prizes for the adults and children. Bingo is a great game for recognising your numbers and is really simple to setup. Ask your grown up to make some [bingo cards](#) or you might like to write your own. Then use a website or app to generate your numbers. Alternatively you could cut up some cards and write on the numbers you want to play with. The winner is the first person to fill up a row on their bingo card.

Whole School Times Tables Rock Stars Competition

Starting on Monday 25th May we're going to have a whole school Times Tables Rock Stars competition. If you're in Year 1 upwards all you need to do is login and play regularly for 5-10 minutes each day. Every correct answer counts towards your score. The competition will finish at 9:00am on Friday 29th May and the leader board will be unveiled later on that morning! Good luck

Mrs Ebeling's Positivity Pebble Line

Thank you to everyone who has contributed to [Mrs Ebeling's Positivity Pebble Line](#) outside of our school. Here are some photos of the ones we have received so far.

We hope you've enjoyed receiving your phone calls home. The teachers have all said how wonderful it has been to hear your happy voices.

Have a lovely bank holiday weekend.

Stay safe when you're out and about.

Mr Doody ☺
