YEAR 1 CHILDREN'S NEWSLETTER

Friday 29th May

Hello Year 1 children.

I hope you are all well and keeping safe with your families.

We are starting to open up the school for Year 1 children again soon. Your mummy or daddy or carer might have spoken to you about it.

I wanted to let you know about who will be teaching you all. You will be in smaller classes with a teacher who will be looking after you and helping you with your learning. I know they are all really looking forward to seeing you.

Your family will make the decision for you to return to school and if you do not come back, there will still be lots of learning to do at home. You can still send in photos of you and your amazing work to school for us to see.

Here are the teachers that will be teaching the children in Year 1:

Ms Treglown

Mrs Passingham-Smith

Miss Platt

Miss Appleton

I will be sending an e-mail to your family telling you which teacher you will have and you can see their photograph here.

All the teachers will make sure you are safe in school. You can practise washing your hands, coughing and sneezing into your arm and using a tissue to blow your nose to get ready for coming back to school.

Looking forward to seeing you soon.

We have missed you.

Lots of love

Ms Westcott
