

Meridian Community Primary School and Nursery

CHILDREN'S NEWSLETTER

Friday 29th May

Hello lovely Meridian Children!

I hope you are all well and keeping safe with your families.

I have been in school this week with some teachers and teaching assistants to look after some of the children that need to be in school.

We are starting to re-open for some more children from next week but not everyone. This is what the Prime Minister, Boris Johnson, has told all schools to do. So I have been very busy getting this all ready for everyone and making plans to keep everyone as safe as possible.

If you are coming back to school, we are looking forward to seeing you. If you are not coming back to school, that is fine and we will see you soon. You can still send in photographs of you working at home if you want to – we love seeing your smiling faces!

We will be starting again with learning activities for you to do at home next week and these will be the same for the children in school.

Keep safe and be kind.

Lots of love

Ms Westcott

This is me when I was little! Did you recognise me? There are some photos of babies on the next page. I wonder if you recognise any of these babies?

Can you work out who these babies are?
