

## Year 6 children's newsletter

Friday 3<sup>rd</sup> July 2020

Dear Year 6 children,

We hope you are all happy and staying safe at home.

We hope you've been working hard on your home learning tasks. How did you get on with your non-chronological report about 'Healthy Bodies and Healthy Minds'? We'd really like to see your writing - please send it in to the school office!

Have you managed to calculate missing angles in maths? We hope you're feeling really confident with missing angles on a straight line and around a point - you'll need those skills at secondary school.

Have a look at some great Year 6 home learning:

Jayden used his computer to create his 'what to do with a worry' poster. Excellent learning Jayden!

Eva, Jakub and Ollie worked really hard in class to create portraits in the style of Giuseppe Arcimboldo.

Keep sending in your home learning to the school office: [office@meridian.e-sussex.sch.uk](mailto:office@meridian.e-sussex.sch.uk) Maybe your home learning will be in next week's Year 6 newsletter!

Thank you for sending in your photos for the Year 6 video, we are really enjoying looking at them and can't wait for you to see the video!

Stay safe and hopefully see you soon. ☺

Love from,

Miss Roberts, Miss Howell, Miss Moffat and Mr de Panama
