

Year 3 children's Newsletter

Dear Year 3 children,

We hope that you are well and staying safe at home.

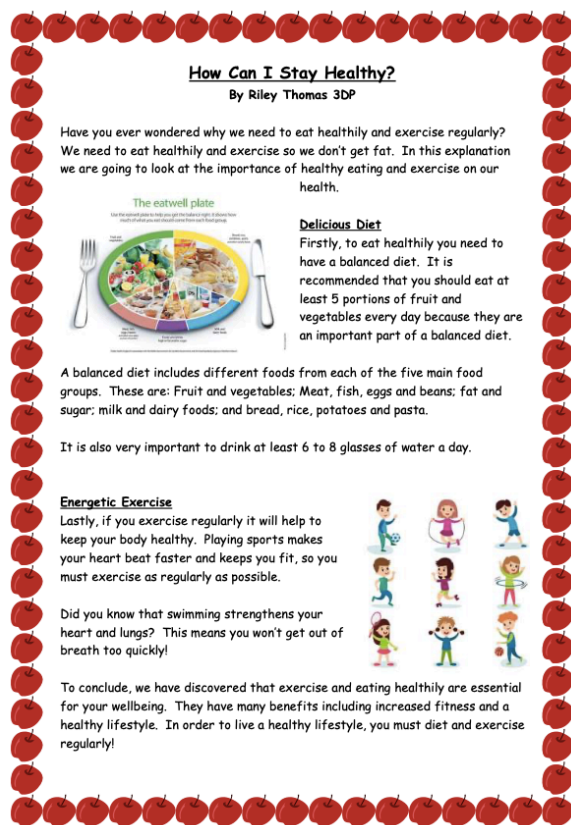

Well, what a change in weather this week. The wind didn't blow us away, but your learning certainly has! We can see you have been working hard and having a go at the learning activities we are sending home.

Take a look at this week's amazing learning here:

Poppy has created a beautiful gratitude list. What fabulous drawings!

Riley has published his explanation on 'how you can stay healthy' Fabulous work. We think the layout is fabulous and very clear!

Wow Oliver!
We can see you have been super busy. Keep up the good work 😊

How amazing are these pocket worry monsters!

Amelia

William

Keep sending in your home learning to the school office: office@meridian.e-sussex.sch.uk

We love seeing what you are doing and maybe your home learning will be in next week's Year 3 newsletter! Stay safe and hopefully see you soon.

Love from,

Miss Dew, Mrs Passingham- Smith and Mr de Panama
