

Meridian Community Primary School and Nursery

CHILDREN'S NEWSLETTER

Friday 3rd July

Hello lovely Meridian Children!

I hope you are all well and keeping safe.

I wanted to let you know that the Prime Minister, Boris Johnson, has said that all children can come back to school in September. Which is great news! We have missed seeing those of you that have not been able to come back yet and we are all really excited about seeing you in September.

Well done to all of you for keeping up with the home learning and watching the videos that the teachers have recorded. We have loved seeing the photographs and work that your parents and carers have been sending in to school and these might end up in your year group celebration letter. Keep up the great work everyone!

You will be finding out who your new teachers are for next year very soon. Perhaps you could write them a letter to introduce yourself and tell them all about you. I know your new teachers will love to read these.

Keep safe and be kind.

Lots of love

Ms Westcott

Who will my new teacher be?

Next week I will be sending out a letter to tell you and your parents or carers who your teacher will be in September. I will include a photograph of your new teacher so that you will know what they look like.

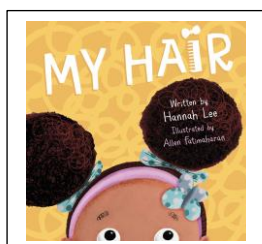

When will I meet my new teacher?

Some of you will remember that usually we have a special morning where you get to meet your new teacher. This year you will meet your new teacher in a different way! All the teachers are recording a video to say hello to you and then you will also get a phone call from them so that you can speak to them and ask any questions you might have. I know they are all very excited to speak to you.

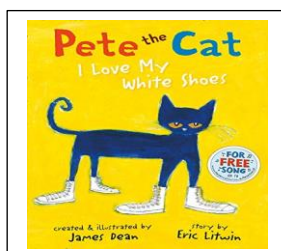

When will I see my classroom?

You will see your classroom properly when you start again in September. The teachers will be busy getting classrooms ready for when you arrive. I will explain in another letter where your classroom will be and which door you will need to come through in the mornings.

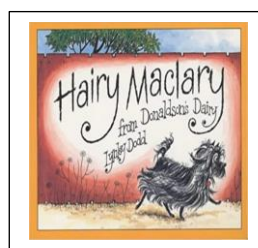

I do hope that you are keeping up with your reading at home. If you want to listen to stories online, here are some of my favourites!
