Year 4 have had an amazing start to the year and have really thrown themselves into their learning. All of the teachers have been so impressed with how well they have settled back into school.

The year group display for our "All About Me" topic is looking incredible! Our abstract self-portraits, inspired by Picasso and Kimmy Cantrell, really brighten up the corridor.

After receiving an important message from a time travelling medieval lord, the children have been working hard to discover everything they can about castles throughout time.

They created some beautiful and informative castle timelines that display information about the four castle types and their changes over time.

Forest school has been brilliant this term and year 4 have been learning how to light fires! We even got to gobble some marshmallows. Yum!

Soon, our display will be filled with the wonderful non-chronological reports year 4 are writing at the moment. Year 3 pupils are going to learn all about motte and bailey castles from our writing!

## We created some beautiful artwork for the front covers of our learning journey books.
