

MERIDIAN COMMUNITY PRIMARY SCHOOL AND NURSERY

Learning for Life

Thursday 14th October 2021

Dear Parents / Carers,

I am delighted to tell you that Starfish class have worked so hard this term, that they have filled our class treasure chest with more than *a hundred* coins for their good work!

I have spoken to the class about what they would like their treat to be, and they have decided they would like to have a silent disco and class games whilst wearing pyjamas. Depending on the weather, this will be out on the field or in the hall. We will celebrate our class treat on **Wednesday 20th October 2021**.

Children are welcome to bring in pyjamas or a change of clothes of their choice for the disco if they want to.

Please note that the children are responsible for their belongings at all times. Any clothes brought in should come in a labelled bag and stay on their pegs until they change.

Yours sincerely,

Miss K Moffat
