Nursery Information – Nappies

Dear Parents and Carers

Please can I remind all parents and carers that you need to provide nappies, nappy sacks and wipes for your child for every session that they attend at Nursery.

If you forget these, the team will contact you and you will be expected to bring these in.

If these items are not provided upon request, you will incur a £5 charge for a morning or afternoon session or £10 charge for an all day session to cover our costs.

This information was sent out to all parents and carers in July and we have updated our website and Nursery Information pack accordingly.

Thank you for your support with this matter.

Yours sincerely
