

MERIDIAN COMMUNITY PRIMARY SCHOOL AND NURSERY

Learning for Life

Monday 4th October 2021

Dear Parent/Carer,

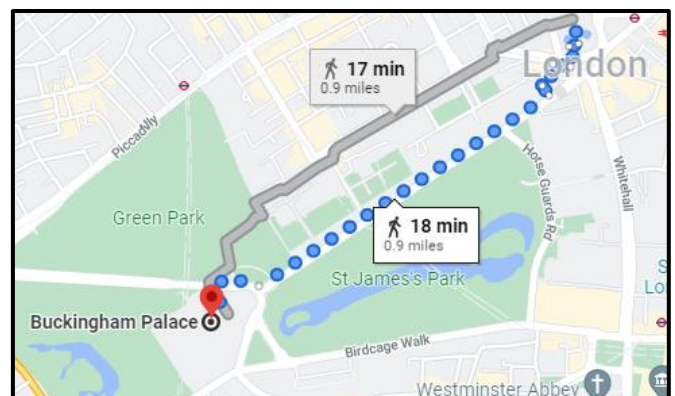

We are so excited that we are able to take the children on school trips again! We know how much they enjoy school visits and how much it enhances their learning.

We have organised a really exciting trip for **Year 6 to visit the National Gallery in London on Monday 22nd November 2021**. This trip is a great opportunity for the children to visit London and experience the National Gallery. Whilst we are there, we will listen to a talk from experts. The children will practise their observational and visual literacy skills by learning about and discussing three paintings from across the Gallery. The National Gallery develops an appreciation and understanding of the people who have made and are making British history and culture and therefore links to the children's learning at Meridian about significant people in history.

The coach will be leaving school at **8am** so the children should **arrive at school at 7.45am** so that we are ready to leave promptly. The coach will collect us at 1.30pm so we estimate that **we will return to school at around 4pm**. You will be notified of any delays by the school app, so please make sure you have downloaded it before the trip.

As well as visiting the National Gallery, we will walk through Trafalgar Square and along the Mall to see Buckingham Palace. The walk will take around 20 minutes. The map shows the route we will take. The children have learnt about the role of the monarch during their time at Meridian, so we know that they will enjoy seeing Buckingham Palace.

As we will be outside for part of the trip, all children must have a warm coat. All of the children must wear school uniform, a coat and sensible footwear such as school shoes or trainers. All children will wear a school hi-vis jacket whilst they are walking to Buckingham Palace.
