Smart School Council

Wednesday 24th November

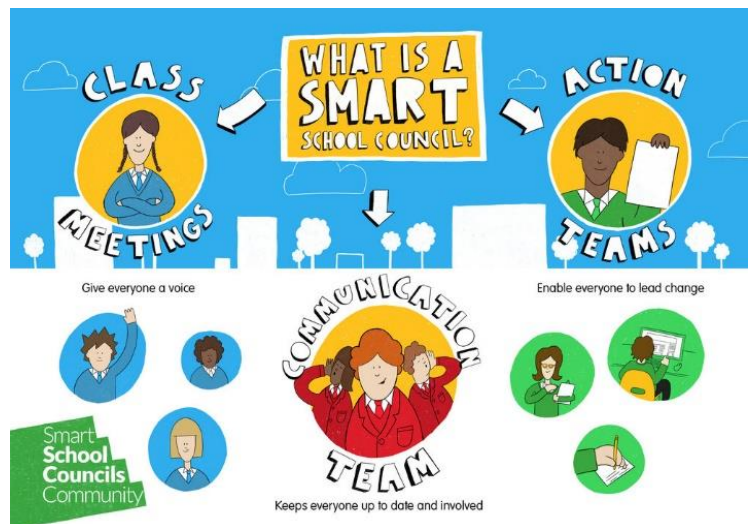

Dear parents and carers,

Today in whole school assembly we had the pleasure of officially announcing our new school council communications team. Elections took place earlier this term and we were lucky to have Mr Edward Dunn, who is our governor responsible for pupil and parent voice, in school to congratulate the children and present them with their badges.

This year our school council looks slightly different...

We have joined an exciting project called Smart School Council where the key ethos is that **every child** has a voice and an idea worth sharing.

- School council meetings are held in every classroom which means every child has their voice heard.
- Even if children aren't on the communications team they still have the opportunity to make a difference by joining an Action Team enabling everyone to lead a change.
- Action teams explore the feasibility for introducing change giving ownership of projects over to the children.

[To find out more watch this video about school already using smart school council.](#)

We look forward to sharing with you the exciting ideas the children wish to explore to make Meridian even better.

Best wishes

Matt Doody

Deputy Headteacher
